

BNL OSH Vision Statement 8/4/03

The BNL community together will achieve and sustain an injury-free, healthy, and safe workplace for all employees, visitors, and contractors

In fulfilling this vision we are committed to:

- Planning, implementing, and evaluating the Occupational Safety and Health (OSH) programs.
- Communicating requirements through SBMS to comply with applicable Federal, State, and County regulations.
- Working within the framework of Integrated Safety Management (ISM).
- Establishing goals and performance indicators to guide these efforts and measure our progress.
- Continually improving our OSH program and our performance.
